RIDE METRO TO A TEENTIX LA PARTNER

The GoPass Program is available to students at participating K-12 schools, with a focus on helping students ride transit without the worry of paying fare. With a registered GoPass TAP Card, students attending participating schools can ride Metro and other participating systems to and from school, and for trips after school and on weekends. For more information, please visit: <https://www.metro.net/riding/fares/gopass/>

HOP, SKIP, DRIVE

HopSkipDrive makes it simple for families, and safe for kids, to get around town. HopSkipDrive was designed to help arrange rides for kids ages 6 and up, so all drivers who use the platform — who we call “CareDrivers” — must have at least five years of caregiving experience, two of which must be child-centric. LOS ANGELES CHARTER BUS PROGRAM

The City of Los Angeles Charter Bus Program is designed to assist senior, youth, and disabled groups in the City of Los Angeles with free or subsidized charter bus services to attend education, recreational, or cultural events in the region. Service is provided on coach, school, and wheelchair accessible vehicles, and is available throughout the year on a first-come, first served basis. If you are attending a TeenTix LA event with a larger group, this could be an option. For more information please visit: <https://www.ladottransit.com/other/charterbus/index.html>
